Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Brian Miller)

RUBENS

To get **Rubens** eBook, make sure you access the button beneath and save the document or get access to other information which might be highly relevant to RUBENS book.

Snoeck-Ducaji & Zoon, 2004. Couverture souple. Book Condition: Neuf. Dust Jacket Condition: Neuf. Book Description: Two titles from an extensive series on paintings by European and Russian masters in Russian collections, these volumes display strengths and weaknesses. On the plus side, they make available scholarly and visual information on some great paintings previously documented only scantily or poorly reproduced. Both titles overview the artist's entire spectrum of activity but focus appropriately on the works in Russia. (The Poussin volume states that it deals with all his works in Russia; the Rubens volume's extent is unclear.) On the negative side, the translated texts, both written by Russian museum curators, are plodding, with little spark and very heavily laden with both facts and generalities?an accomplishment. Summary biographical essays are ill matched to the provenance-oriented catalog entries on each piece. And the plates, which include many details, are rather uniformly oleaginous and occasionally less than sharp. The volumes on major artists in this publisher's series can be recommended for specialist collections because of their factual content on works seldom seen; the titles on Russian artists will have less competition from other publications and may be of broader interest.?Jack Perry Brown, Art Inst. of Chicago Lib. Copyright 1997 Reed Business Information, Inc. --Ce texte fait référence à une édition épuisée ou non disponible de ce titre. Book Description A simple mission lies at the heart of Rubens: to give the most complete picture of the great Flemish master as possible. No fewer than 163 paintings, sketches, and drawings by the artist, plus nine tapestries, are put to this worthy task. A faithful, objective understanding of Rubens arises, from his beginnings under the influence of his master Otto Venius and Italian art, right through to the end of his career, when he basked in a...
