Applewood Books, U.S., United States, 1997. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Written toward the turn of the nineteenth century by Frances Willard, the founder of the WCTU (Women s Christian Temperance Union) and well-known suffragette, *A Wheel Within a Wheel* offers lively insight into the mind of an independent woman who also reflected the temper of her times. Brave enough to take up bicycle riding when she was fifty-three years old, Willard reported that her bicycling costume consisted of a skirt and blouse of tweed, with belt, rolling collar, and loose cravat, the skirt three inches from the ground; a round straw hat, and walking-shoes with gaiters. It was a simple, modest suit, to which no person of common sense could take exception.
