I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Pen Sword Books Ltd, United Kingdom, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Henry V s English army triumphed over the French at Agincourt in northern France on 25 October 1415 in one of the defining battles of the Hundred Years War. Six hundred years later this famous event still excites passionate interest and provokes controversy, yet there are no up-to-date guides to the 1415 campaign, the battle itself and the aftermath. That is why the publication of this practical and authoritative guidebook by Peter Hoskins and Anne Curry is so timely. As well as writing a graphic narrative of the entire campaign, based on the most recent scholarship and research, they take the motorist, cyclist and walker along the route of Henry s army. The itinerary is divided into five tours which culminate in a vivid reconstruction of the Agincourt battle and a detailed guide to the battlefield. Important buildings and sites along the way are described, there are sketch maps showing the route of the English army, and town plans overlaid with details of the medieval defences and monuments. The book is a mine of fascinating historical information. It will be an essential travelling companion for readers who are interested in medieval history and warfare, the Hundred Years War and the extraordinary career of Henry V.
