Puffin Books, United States, 1996. Paperback. Condition: New. Floyd Cooper (illustrator). Reissue. Language: English . Brand New Book. A heartwarming story of a granddaughter s love for her grandfather--a perfect gift for both Father s and Grandparents Day! Tamika loves everything about her grandpa, especially his expressive face. But one day, when Tamika watches Grandpa rehearsing for a play, she sees a different face, one she has never seen before. Muted realistic paintings complement this story of Tamika, a young girl who grows emotionally through love . . . The carefully chosen combination of visual details and large abstract areas support the notion that love is not always clearly definable. --School Library Journal Poet Greenfield tells this warm family story with tenderness and grace, and Cooper makes an outstanding debut. The realistic, full-color double spreads are rich in earth tones and vibrant colors . . . A treasure to set beside [Ann Herbert] Scott s Sam. --Kirkus Reviews.
