The Oxford Companion to Scottish History

By Michael Lynch

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Oxford Companion to Scottish History, Michael Lynch, The Oxford Companion to Scottish History interprets history broadly, including archaeology, architecture, climate, culture, folk belief, geology, and the languages of Scotland. It covers more than 20 centuries of history, including immigrants, migrants, and emigrants. It extends from Orkney and Shetland to Galloway, the Western Isles to the Borders. It deals extensively with Scots abroad, from Canada to Russia to New Zealand. It includes entries on historical figures from Columba, Macbeth, and William Wallace to James (Paraffin) Young. It covers Burns Clubs, curling, and shinty. It ranges from clans to Clearances and Covenants. Over 500,000 words in length, and written by more than 70 distinguished contributors, it aims to explain as well as describe. It is more than a historical dictionary or an encyclopedia. Multi-authored entries analyse key themes such as kingship, national identity, women and society, urban and rural life, the economy, housing, living standards, and religious belief across the centuries in an authoritative but approachable way. The Oxford Companion to Scottish History has a broader range of topics and approaches, and a more authoritative list of contributors than any of its...

Reviews

Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).

-- **Jaiden Konopelski**

A must buy book if you need to adding benefit. This is for anyone who statte that there had not been a well worth reading through. Its been designed in an exceptionally straightforward way which is simply right after i finished reading this book where basically changed me, change the way i think.

-- **Adrien Robel**
