By Thomas A Moore

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Satan always works in one of two ways to deceive: perversion or diversion! Satan cannot create anything! He can only try to pervert what God has already created. If perversion doesn t work, he then attempts to divert (distract) in order to destroy, or at least diminish the Word of God and the work of God in our lives! This book exposes the schemes, plans and designs of the evil one in his attempt to distract, divert, persuade and pervert the church by using the weapon of religion! The church today looks nothing like the early church in the Book of Acts! Most of what we do in church on Sundays is a fraud, a sacrilege, a powerless shadow of the early New Testament church. In fact, it seems as though the church has been high jacked by the evil one. This author gives us insightful clues as to how and why this happened. And he explains why God truly hates religion, but He loves relationship!.
