Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Clark Jillson; Together With Toast, Sentiments, Speeches, Poetry and Song; Specially Reported Publication Ladies and Gentlemen Sons and Daughters of Vermont: Whatever may have been the inclination of my fellow citizens of Massachusetts to place me under obligations to them for honors conferred, or for any mark of respect heretofore shown in private or public life, I have never been impressed by a more profound sense of gratitude than I now feel for being permitted to act as presiding officer of an organization embracing so large a number of the intelligent sons and daughters of Vermont. We come here to renew and perpetuate the memory we cherish of our native land. It has been said that he who forgets the fountain from whence he drank, and the tree under whose shade he gambolled in the days of his youth, is a stranger to the sweetest impressions of the human heart. This social gathering, in this beautiful city of our adoption, bears the strongest evidence that we have not forgotten, even in our mature years, the home of our childhood, where we were first touched by an inspiration which no other nativity could produce.
