

Russian Bears and Somali Sharks: Transition and Other Passages

By Vito Tanzi

Jorge Pinto Books, United States, 2010. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. Vito Tanzi, a first-rate economist and a former top IMF official, but, first of all, a wonderful observer and narrator, tells his incredible stories of one economic crisis after the other. He does so with a light heart and a good sense of humor, while offering many unexpected insights and avoiding all unnecessary technicalities. This is a good read for you who want to know how the world really functions. Anders Aslund Peterson Institute for International Economics Author of Russia's Capitalist Revolution In his professional life, Vito Tanzi has left a mark on both the theory and practice of fiscal policy. In this intriguing book he gives a valuable insight on his voyages and work in countries that experienced radical changes - such as Somalia or post-socialist economies, Russia, Hungary, and Croatia. It also reveals Vito to be a learned, sensitive, and acute observer of the societies and cultures with which he was professionally involved, as well as an entertaining storyteller. Mario Nuti Professor of Comparative Economic Systems, University of Rome, La Sapienza This is a surprising...
