LAP Lambert Academic Publishing Feb 2015, 2015. Taschenbuch. Book Condition: Neu. 221x149x7 mm. Neuware - The purpose of this book is to critical power of multinational corporations those control politic, education system, wages and government. Multinational corporations (MNCs) are an economic, political, environmental and cultural force that is unavoidable in today s globalized world. The powerful managers within multinationals, whose decisions affect thousands of workers, national economic, the environment and more, are not elected. New larger governmental institutions need to exist that can regulate business more widely, and therefore empower democracy .The heads of large companies have massive power over staff, employment, industry, national economies and the environment and yet are not elected nor publicly accountable for their actions. Supra national organizations, staffed by those on the payroll of elected governments, empower democracy with renewed control. 64 pp. Englisch.
