**ARTIFICIAL EVOLUTION: 9TH INTERNATIONAL CONFERENCE, EVOLUTION ARTIFICIELLE, EA 2009, STRASBOURG, FRANCE, OCTOBER 26-28, 2009. REVISED SELECTED PAPERS****DOWNLOAD**

Springer. Paperback. Condition: New. 207 pages. Dimensions: 9.1in. x 6.1in. x 0.5in. This LNCS volume contains the best papers presented at the 9th Conference on Artificial Evolution, EA 2009, held in Strasbourg (France). Previous EA events took place in Tours (2007, LNCS 4926), Lille (2005, LNCS 3871), Marseille (2003, LNCS 2936), Le Creusot (2001, LNCS 2310), Dunkerque (1999, LNCS 1829), Nimes (1997, LNCS 1363), Brest (1995, LNCS 1063) and Toulouse (1994, LNCS 1063). For this ninth edition, authors were invited to present their original work relevant to artificial evolution, including, but not limited to: evolutionary computation, evolutionary optimization, co-evolution, artificial life, population dynamics, theory, algorithmics and modeling, implementations, application of evolutionary paradigms to the real world (industry, biosciences, . . .), other biologically-inspired paradigms (swarm, artificial ants, artificial immune systems, . . .), memetic algorithms, multi-objective optimization, constraint handling, parallel algorithms, dynamic optimization, machine learning and hybridization with other computing techniques. Submitted papers were reviewed by at least four members of the International Program Committee, which selected 23 papers to be presented during the conference out of 43 submissions. However, only 17 papers were included in the present volume, resulting in a 39.5 acceptance rate. We would like to thank the members of the Program Committee for their conscientious work, the authors for their greatly appreciated contributions, but also the members of the Organizing Committee who, once more, managed to put together a really enjoyable conference in Strasbourg. Finally, financial and material support coming from ENSPS, Université de Strasbourg, CNRS, Région Alsace and the EA association contributed to the success of the conference and helped to keep registration fees very low. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
