Hanna Bassiano, formerly known as Lady Hanna Koroth of D neera, was, like all the people of the planet D neera a telepath. Mutated from true-human stock, the D neerans had claimed a world of their own to escape persecution, and started a flourishing civilization there. Now, accepted by true-humans, some like Hanna had ventured out into the wider universe, using their talents to the benefit of all. Hanna herself had become humanity's expert in first contact with other sentient races. And though her very first mission had nearly ended in her death and could have resulted in a devastating interstellar war, both Hanna and humanity had survived. Several additional contacts had seen her firmly established as the person to spearhead this new first-contact mission. She and her handpicked team were now aboard alien contact ship Endeavor Three, following a centuries cold trail to a distant world that had sent its own expedition to the human colony world New Earth two hundred years ago...
