Filesize: 1.05 MB

Reviews

This ebook is great. I am quite late in start reading this one, but better then never. I am just easily will get a satisfaction of reading through a composed pdf.

(Brendan Doyle)

THE CAMILLUS -TYPE IN SCULPTURE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Camillus - Type in Sculpture To the family, then, we must look for the origin of essential features in worship such as sacrifice and its due observance. With no certain knowledge of those far-off times, before a state was born, we follow the traditions of historic Rome back to a possible beginning. In the simple agricultural life of the early days the father of a family in the most natural way would take up the duties of a priest. Doubtless the recurring seasons suggested offerings to those gods who might, if they chose, injure crops and herds; perhaps, even, some portion of the family-meal was day by day put aside in honor of unseen but dreaded powers. So might the Roman lad who watched all this ask its purpose and, hearing of mysterious deities who demanded propitiation, might come to share in his father's belief. Likewise, the daughter, busy about the hearth, may have grown almost unconsciously into the service of the Hearth-goddess as she shared with her mother the duty of keeping the home-fire burning. Thus, in all naturalness and simplicity, the home became a training school for priestly offices and generation after generation absorbed the spirit of Roman religion and its growing ritual simultaneously with paternal teaching concerning fields and flocks or maternal instruction as to spinning and weaving. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
