Hugh Burke, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A Capturing Spiral, the part of the web that imprisons and holds its prey, entitles the first available collection of poetry from writer and teacher Hugh Burke. Hovering from the somber to the exultant, each momentary thread weaves into a cohesive tapestry of life's liminal quality. We witness a voice from a variety of thresholds; from dream, from love, from wild encounter, and from his becoming a poet. Press closely and attend while Burke's voice is cast out into sparkling canopies, as he sifts through the echoes for a kinship.
