BUILDING BERLIN, VOL. 6

Braun Publishing AG Mrz 2017, 2017. Taschenbuch. Condition: Neu. Neuware - A newly revived building boom has again turned Berlin into an exciting place of experimentation in contemporary architecture. The city's controversial high-rise developments, ingeniously designed floor plans in residential buildings, landscaping influenced by social and ecological considerations and creatively conceived monument conservation projects are followed with great interest across the world. Discussions among both experts and the general public are geared towards reaching an understanding regarding which projects can..
