Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. William Shakespeare: His Homes and Haunts is a classic Shakespeare studies text by Samuel Levy Bensusan. To read the works of a great master of letters like Shakespeare, without some first-hand knowledge of the country in which each lived and from which each gathered his earliest inspiration, is to court an incomplete impression. It is in the light of a life story and its setting, however slight our knowledge, that creative work tends to assume proper proportions.
