*This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Saunders Company, 1903. Flexible Leather, \$2.50 net; with thumb index, \$3.00 net. Here indeed is something new, and the hackneyed yet time honored description of filling a long felt want is certainly applicable in the fullest sense when applied to this book. Editors and the real students of medicine will find a most useful, satisfactory and time saving as well as patience preserving volume available, the working value of which is eo helpful that one wonders how he got along without it. It is appropriately and gracefully dedicated to the lamented, lovable Hamilton whose place in medicine has not been and we fear cannot be filled. This book performs for medical literature the same services which Roget s work has done for literature in general; that is, instead of, as an ordinary dictionary does, supplying the meaning to given words, it reverses the process,...
