JOHNS HOPKINS UNIVERSITY PRESS, United States, 2005. Paperback. Condition: New. New edition. Language: English . Brand New Book. In May of 1954, Orlando Suero, a photographer on his first major assignment, spent five days with the Kennedys. He enjoyed their full cooperation and the intimate access that would later be denied to all but a few. In more than twenty photo sessions, Suero documented a typical week in the young couple s life: Jack at his Senate office, Jackie attending classes at Georgetown, and the couple playing touch football in the park. Suero s photographs capture the idyllic quality of the young couple s lives during their months in Georgetown. This remarkable document of John and Jacqueline Kennedy s first year of marriage recalls the romance and the promise embodied by their life together in America s last age of innocence.
