You are trying to run and hide, but there is no where or no one to turn to. You are facing life's situations as they come while trying to hold on. In this book, you will learn how a young girl who was torn between various life situations struggled to find her way out. She shows you how to analyze your situations and get through them. She expresses how in times of weakness, God can make you strong. Most of all, she explains how she sought and found God, who has made her life better and complete as well as gave her a sense of peace and direction.
