Church Publishing Inc, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. In this, Don Shriver s fifteenth book, the socially involved ethicist and former president of Union Theological Seminary reveals some of the challenging experiences and ideas that have informed his work. In a book both personal and honest, Shriver reflects on the nature and importance of books, music, education, war, friends, marriage, political conflict, and his tenure at Union. The essays as a whole represent exemplary theological work by showing how biblical images and themes provided Shriver with both a lens for interpreting his era and a perspective from which to anticipate the future. A dominant theme of his work has been the dynamics of forgiveness in human society and the meaning of forgiveness, beyond personal life, in the relations of groups and nations. A final essay, a letter to the great-grandchildren he will never meet, articulates the positive and hopeful message of this wide-ranging collection. For readers already familiar with his local-to-global efforts spanning ecumenical, racial, economic, and political justice issues, the book offers new insights into how Shriver s life experiences have impacted his work. For those not yet familiar with that work, the collection offers an intimate introduction to Shriver s passions for theology, history, and social justice, particularly in the American South, Germany, Ireland, South Africa, and East Asia.
