Patchwork Press, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Terror. Callousness. Denial. Rebellion. How the four teenage children of leaders in the duchy and the neighboring empire of Hanaobi choose to adapt to their nefarious parents whims is a matter of survival. Rohesia, daughter of the duke, spends her days hunting outsiders, fugitives who ve snuck onto her father s island duchy. That she lives when even children who resemble her are subject to death hardens her heart to tackle the task. Fastello is the son of the king of the raiders who steal from the rich and share with the poor. When aristocrats die in the raids, Fastello questions what his peoples increasingly wicked methods of survival have cost them. An orphan raised by a convent of mothers, Cateline can think of no higher aim in life than to serve her religion, even if it means turning a blind eye to the suffering of other orphans under the mothers care. Kojiro, new heir to the Hanaobi empire, must avenge his people against the barbarians who live in the duchy, terrified the empress, his own mother, might rather see him die than succeed. When the paths of these four young adults cross, they must rely on one another for survival-but the love of even a malevolent guardian is hard to leave behind.
