Sidney, and Lord Shaftesbury: With an Analytical Sketch of the Writings and Opinions of Locke and Other Metaphysicians The publisher of this volume, having obtained permission from Dr. Forster to reprint those letters of Locke, Sidney and Shaftesbury which that gentleman published nearly twenty years ago, has added several others written by the same eminent men, and procured from the same source, namely the mss. Collection of the Forster family. It would be unbecoming in the publisher to premise one word concerning the merits of any thing written by such illustrious men as John Locke, Algernon Sidney and the Earl of Shaftesbury: but he may be permitted to say there are two points which particularly claim the attention of the reader to the following collection of letters. They are selected out of the correspondence of a private family, and, as containing the unreserved thoughts of the writers, and consequently never intended for publication, they possess the greatest interest for those who delight in pictures of domestic life and friendship. But the second point of attraction is peculiarly suited to invite attention: the political movements which at that time disturbed Europe were precisely the same as those which at the present moment are influencing its different courts. The all-engrossing question concerning the rights of the Bourbons to the crown of Spain is repeatedly alluded to and discussed in the following letters, and the same question has again, of late years, kept the courts of England and France in a ferment, and almost destroyed the good understanding which existed between them. It is curious to see the same causes arising after a hundred and...
