

What I Talk About When I Talk About Running. Wovon ich rede, wenn ich vom Laufen rede, englische Ausgabe

By Haruki Murakami

Vintage London Random House UK Mrz 2009, 2009. Taschenbuch. Book Condition: Neu. 198 mm. Neuware - In 1982, having sold his jazz bar to devote himself to writing, Murakami began running to keep fit. A year later, he'd completed a solo course from Athens to Marathon, and now, after dozens of such races, he reflects upon the influence the sport has had on his life and on his writing. Equal parts travelogue, training log, and reminiscence, this revealing memoir covers his four-month preparation for the 2005 New York City Marathon and settings ranging from Tokyo's Jingu Gaien gardens, where he once shared the course with an Olympian, to the Charles River in Boston. By turns funny and sobering, playful and philosophical, this is a must-read for fans of this masterful yet private writer as well as for the exploding population of athletes who find similar satisfaction in distance running. 192 pp. Englisch.
