Lynne Roberts knows from personal experience just what it is like to be in a relationship that is abusive. As the saying goes, opt to sail with a captain who has been shipwrecked, they know the perils so much more than the blissfully ignorant. Lynne has completely recreated her life and lifestyle since she put this bad experience behind her. And she wants to share with other women just how you go about ending the fear, the uncertainty and the sheer physical danger that can so easily flare up in an abusive and quite possibly violent relationship. This is not a situation that you should allow to continue one moment longer than it takes to read her book and guide. It contains check lists for how to plan your departure, how to stay safe when you do. It also includes some valuable tips on how you spot the hidden abusers and ill-wishers using the proven techniques of handwriting analysis. Her book contains the addresses and contact details of some highly skilled practitioners who can give you valuable insights into whether you are in danger in a relationship, simply from analysing the handwriting of a partner, or potential partner. And forewarned is forearmed. It is a valuable insurance she explains to get to know your partner more scientifically and thoroughly, it could be reasssuring as well as alarming to discover what your partner s traits really are. And handwriting analysis will unerringly do just this. Are you safe? is a life enhancing book. For many it will be an assistance in turning around an ailing relationship by giving you ways to make it more positive and enriching. It will...
