The Strategic Planning Handbook offers readers the solution, in the form of a daily and weekly system that shuffles your schedule until everything fits. You'll first define your goals in concrete terms, translating your vision into workable strategy, and then you'll put pen to paper and map out a plan for making it reality. Day-by-day and week-by-week, you'll watch the results roll in as you fine-tune your plans and exercise an unprecedented level of control over your life and your business.
