Reviews

It is one of the most popular books. It really is filled with wisdom and knowledge. You may like how the author publishes this PDF.
(Kellie Huels)

THE EVOLVING SALES ENGINEER: UPDATED VERSION

Dog Ear Publishing. Hardcover. Book Condition: New. Hardcover. 284 pages. Dimensions: 9.2in. x 6.2in. x 1.2in. Traditionally, sales and systems engineers (SEs) have been expected to simply provide technical information related to the sales efforts of their account managers. Now, SEs are expected to be technical experts plus: be perceived as consultative contributors to the sales process, connect technical features to business drivers and pain points, succeed with managers and executives, earn a place at the table where strategic conversations occur, tailor presentations based on attendees titles, personality traits and anticipated concerns, handle the most common and challenging objections, identify and satisfy business and personal needs plus uncover cross-sell and account expansion opportunities. The Evolving Sales Engineer was written to provide SEs with proven behaviors, techniques, skills and mindsets that will enable them to excel given these emerging expectations. Numerous success stories and examples are included to reinforce chapter highlights. Also included is a special section on SE management. Written to managers, it provides guidance on how to select, build and develop high performance SE teams. By reading this section, SEs will also benefit by gaining an understanding of how to align their performances with evolving managerial goals and expectations. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
