THE INVISIBLE REAL FATHERS GUIDE A GUIDE FOR MEN WHOM ARE OR WISH TO BE REAL FATHERS

Trafford. Paperback. Book Condition: New. Paperback. 112 pages. Dimensions: 9.2in. x 7.5in. x 0.3in. Why this book Because I believe it is truly needed. Yes, the traditional role has been for men to be just breadwinners. But what happens if you have to be the breadwinner and the caregiver at the same time because your significant other can no longer do it, is no longer there to do it, or will no longer do it or, just plain outright, wont do it What if she was never the mothering type to begin with or youve discovered she is such that you wouldnt trust her to take care of even a gerbil no matter how much you love her Well, that just leaves you, unless you are planning to dump your children upon your folks, the system, or who ever. I hope thats not you, but then if it was, you would not be reading this. As far as I can see, no real effort has been made to give men, young men, any kind of guidance to be really good fathers. You can be a tough manly man and still be a good father. There are plenty of help aides for women, but you just dont see this for men. In this book, I am attempting to provide such based on my own real-life experiences and what I have done with my own children in my care. I may not be able to cover everything, but I will do my best to come as close as reasonably possible. Whether you have made the choice or you have been surprised and discovered the choice has chosen you, I will do my best to give you the information that may help you do the best job possible and hopefully also save you and...
