Accountability Office, 2010 OCLC Number: (OCoLC)650514138 Subject: Military bases, American. Excerpt: . . . June 2011, which would allow the Preparatory School to move to the Academy. According to an Army briefing on implementation status, the single barracks, athletic field, and dining facility meet the BRAC requirement, as the mission will have been relocated, although the other construction projects to house the Preparatory School will not be completed until summer 2012, nearly a year after the end of the statutory implementation period. The Army intends to have the U. S. Military Academy Preparatory School share the academic and sports facilities of the U. S. Military Academy until some portions of the Preparatory School are completed in January 2012, with the remaining portions scheduled to be completed by the summer of 2012. Organizations Are Making Efforts to Mitigate Potential Loss of Human Capital and Retain Mission Capability Several of the organizations concerned about the loss of their skilled workforce and the consequent impact on mission performance are mitigating these challenges, which is adding to BRAC implementation costs. For example, officials at the...
