We try to learn from every patient, to help them get better and to facilitate understanding of their health and the progression of the disease process impacting both body and spirit. This book allows one to understand the human interface with the diagnostic process. Summary The Emergency Department(ED), or Emergency Room(ER) as it is commonly known, is home to us all- both patients and staff. There are very few constants in this ever-changing world, but the ER is certainly one of them. The patients find a safe haven, a place they can present with all manner of life s ills- physical spiritual or social-always hoping for remedy. However, there is seldom a place where more life- changing events can occur. Some changes are subtle and indistinct, while others are cataclysmic in nature. Either way, patients are assured that they will be truly cared for. The ED staff calls this place home as well. There are no casual participants here; they come and soon will go nowhere else. They are truly a team, blending the proper proportion of caring and expertise....
