Rosen Central, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Stunning 3D images illustrate this resource that covers the functioning of the head and neck, as well as diseases and issues that affect health. This look at one small part of the larger body system also offers some little-known facts, such as why you need to rest after studying and how many different types of smells the human nose can distinguish. Those interested in anatomy, physiology, and even weird body facts will find this an invaluable resource.
