

## Philosophy Explained: Constructing Meaning: The Art of Philosophy (Paperback)

---

By B Charles Henry

Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Philosophy can be a very difficult topic to grasp especially when one is introduced to the subject for the first time. The contents may seem confusing, senseless, and without direction. This book will change all that however, as I endeavor to capture the essence that truly is philosophy. Philosophy is a marvelous topic and one that all students beyond high schools should pursue because of the strength it gives to reasoning and interpretation. We construct meaning daily in how we view others and ourselves and how we interpret our surroundings. While doing so, one should ensure that the meaning constructed is timely and relevant to what is happening around us. We should be truthful and factual as we pursue objective truth based on our own realities and the realities we glean from education and training.
