This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Scholastic on Brilliance Audio, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In this companion to Openly Straight, Ben confronts pressure at school, repression at home, and his passion for two very different people in figuring out what it takes to be Honestly Ben. Ben Carver is back to normal. He s working steadily in his classes at the Natick School. He just got elected captain of the baseball team. He s even won a full scholarship to college, if he can keep up his grades. All that foolishness with Rafe Goldberg the past semester is in the past. Except. There s Hannah, the gorgeous girl from the neighboring school, who attracts him and distracts him. There s his mother, whose quiet unhappiness Ben is noticing for the first time. School is harder, the pressure higher, the scholarship almost slipping away. And there s Rafe, funny, kind, dating someone else. and maybe the real normal that Ben needs. Perfect for fans of David Levithan, Andrew Smith, and John Green, Honestly Ben is a smart, laugh-out-loud novel that will speak to anyone who s struggled to be honestly in some part of their lives.
