Excerpt: . . . 11 improve reliability and move water more effectively within several reservoirs to re-ceive the benefits of available storage. This project, if found to be feasible, could be a valuable tool under the California 4. 4 Plan to improve and better utilize imported water from the Colorado River. The Bureau of Reclamation is currently working with the City of San Diego and the Sweetwater Authority on other unrelated water recycling projects that help with the future needs for water of the region. The Department supports the goal of this legislation to authorize a new feasibility investigation, and requests that the legislation be amended so that the feasibility investigation will only go forward if, on the basis of an appraisal investigation, Rec-lamation determines that the proposed intertie system should be studied further. Mr. Chairman, this concludes my testimony. Thank you for the opportunity to comment on H. R. 1803. I would be happy...
