

At the Edge of All-That-Is, A Journey into the Art of the Universe

By Stefan Schadwinkel

Lulu.com. Paperback. Book Condition: New. Paperback. 109 pages. Dimensions: 8.8in. x 6.0in. x 0.4in. This book unfolds a non-dualistic world view, a view of Unity. That view is applied to topical scientific and philosophical issues, like Time, the Brain, Chaos and Order, the Human Immune System and Quantum Physics. It is a practical guide to navigate around common scientific, philosophical and spiritual pitfalls. With powerful, inspiring lyric and vivid metaphors, the reader is guided to realize and engage the full human potential. Awe inspiring sacred geometry is described and very advanced Mer-Ka-Ba activation techniques are unveiled. The nature of Mer-Ka-Ba fields is explained and related to the universe as a whole. Connecting the eternal teachings of the ancient masters with state of the art quantum mechanics, the book is the perfect add-on to all systems of co-creation. If you have been delighted by movies like What the bleep do we know!, then this book will open the gates to the mystery right before your eyes. Fasten your seatbelt and get ready for your Journey into the Art of the Universe. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This ebook is great. I really could comprehend every thing using this composed e book. Its been designed in an exceedingly simple way and it is only following i finished reading this publication where basically modified me, modify the way in my opinion.

-- **Herminia Blanda**

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).
