BATHROOM STALL YOGA (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Yoga is often portrayed as an activity involving a perfectly smooth boulder alongside a dawn-kissed lake, as a balancing act on crisp spring grass or relaxing poses amidst whale music and incense. What if I told you that you could do yoga during your bathroom break at work? At a rest stop at night on a long drive? As a pick-me-up during a conference trip? On the airplane without blocking the aisle? The poses in this book are curated for you to enjoy in a confined space, if you are not inclined to get up on your work desk and mimic a fresh pretzel. These are restorative poses that will help you feel more awake and relaxed when you have been stagnant or are stressed and need a few minutes to yourself.
