University of Chicago Press. Paperback. Condition: New. 288 pages. Dimensions: 7.9in. x 5.2in. x 0.7in. Between Parkers 1961 debut and his return in the late 1990s, the world of crime changed considerably. Now fake IDs and credit cards had to be purchased from specialists; increasingly sophisticated policing made escape and evasion tougher; and, worst of all, money had gone digital the days of cash-stuffed payroll trucks were long gone. But cash isn't everything: Flashfire and Firebreak find Parker going after, respectively, a fortune in jewels and a collection of priceless paintings. In Flashfire, Parkers in West Palm Beach, competing with a crew that has an unhealthy love of explosions; when things go sour, Parker finds himself shot and trapped and forced to rely on a civilian to survive. Firebreak takes Parker to a palatial Montana hunting lodge where a dot-com millionaire hides a gallery of stolen old masters which will fetch Parker a pretty penny if his team can just get it past the mansions tight security. The forests of Montana are an inhospitable place for a heister when well-laid plans fall apart, but no matter how untamed the wilderness, Parkers guaranteed to be the most dangerous predator around. Like all of Starks Parker novels, Firebreak is a brutal yet compelling glimpse into the amoral world of crime and revenge. Booklist The action in Flashfire is nonstop. . . . The awful fascination in these Parker tales comes from knowing the protagonist will always do whatever is necessary to protect himself and to achieve his goals. Wall Street Journal This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
