Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The book illuminates the common ground in the world's major wisdom traditions, also known as universal principles. The sixty easy-to-use universal principles can be used to help guide us to experiencing deep inner peace. They can also be used in concrete ways to help create a bridge to a peaceful harmonious world that works for all via a comprehensive Road Map to World Peace. This book also reveals how the mainstream Rainbow Bridge is spontaneously appearing around the world in the form of physical bridges, stores, hotels, music festivals, Hollywood films and more. The Rainbow Bridge is a vision of peace and unity that comes from deep inside the heart of humanity. Learn how it can be a positive contribution to your life and to the lives of billions of people worldwide.
