St Martin s Press, United States, 2001. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A warm, inviting bedtime book from a Caldecott winning illustrator. Bear sniffed once. She sniffed twice. I smell winter in the air. . . . A chill is in the air and Bear knows it is time for her winter nap. But first, she must tell Snail. And Snail must tell Skunk. And Skunk must tell Turtle. Each animal who tries to put off going to sleep just a little longer sees, smells, hears, or tastes the signs of the impending season. Finally, Ladybug rushes off to tell Bear--already asleep in her cave--the exciting news. Denise Fleming presents a warm-hearted story about animals of the forest settling down for their winter nap. But, like children who must go to bed for the night, they each find a way to put it off just a little bit longer. Richly illustrated in fall colors, Denise Fleming s Time to Sleep world is right on target for preschoolers.
