

The Inner Game of Raising Private Money (Paperback)

By Willie C Hooks

Xulon Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The ability to raise money is a critical skill that will support you in achieving greater success and in building financial wealth much faster. Regardless of the business that you are in, or the project that you are pursuing, you will need money and financial resources to capture that business opportunity. It is so obvious when you take the time to think about it that all ideas, businesses and financial opportunities require money to be realized. Learning to raise money is a critical skill that all successful entrepreneurs, businessmen and financially successful people have mastered. However, just like any worthwhile goal, there is both an outer game and an inner game that must be mastered to be effective at raising money. Most athletes will agree that your level of success will be determined largely by your inner game; that mental game that is going on inside your head as you strive to achieve your raising-money goals. The Inner Game of Raising Money will support you in developing the raising-money mindset that is necessary to raise all the money you require to fund your...
