By Vicki Courtney

Thomas Nelson Publishers. Paperback. Book Condition: new. BRAND NEW, Move on Study Guide, Vicki Courtney, Most people will live their entire lives attempting to clean up their messes on their own or will hide their messes under a multitude of modern-day fig leaves. Are you weary of hiding and pretending? If so, it's time to find the courage to come clean about the mess you are. It's time to lay your heart and soul bare before the Lord and say, "I'm not okay, and I need your help." Say goodbye to that person you've been pretending to be and celebrate the person God created you to be: a gloriously imperfect mess who is loved by a perfect and holy God. This study guide is designed for use with Move On: A DVD Study (sold separately) and provides individual and group activities, between-session personal studies, quotes, and additional material that will enhance your experience of the video sessions.
