Kogan Page Ltd, United Kingdom, 2016. Hardback. Condition: New. 8th Revised edition. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. One of the most important steps in launching a new venture or expanding an existing one is the creation of a business plan. Time after time, studies and real-life examples reveal that the absence of a written business plan leads to a higher incidence of failure for new businesses, and inhibits growth and development. Based on methodology developed at Cranfield School of Management, The Business Plan Workbook takes a practical approach to topic of business planning for new venture creation and development. Equally suitable for a range of academic and professional courses and for those developing small businesses, it takes the reader through 29 assignments to help you create and present your business plan, from learning how to create a competitive business strategy through to forecasting sales volume and value. It will help you to validate your business idea, brand your business, research and segment your market, and raise finance; all through one persuasive plan. With new additional material covering the 7 Ps of Marketing, a section of Planning for Growth and a range of new and updated case studies of real life entrepreneurs, this classic text is an invaluable guide to all aspects of business planning. Online supporting resources for this book include supporting lecture slides, personal development and lifetime learning appendix, test questions and answers and a bonus chapters on business communication, business gurus and mergers and acquisitions.
