Kids Can Press, Canada, 2017. Hardback. Condition: New. Language: English . Brand New Book. Leon is worried. There s a new baby penguin in his home. And though Marcel is sleeping in his crib now, he can t stay there forever. But where can they put him? Mama s arms are way too big to cuddle a tiny baby penguin. It s definitely too scary high up on Daddy s shoulders for him. And as anyone can see, when Daddy is on one side and Mama on the other, with Leon in the middle, there s no room for anyone else. ?We can t put a baby penguin anywhere .? Leon says. Is there a place that s just right for a little brother penguin to go?In this endearing and cozy picture book, author and illustrator Emile Jadoul poignantly captures the worries and evolving feelings that arise when a new baby enters the family of a young child. The sweet story is told with sensitivity and gentle humor from the child s perspective, allowing young readers understanding to grow along with Leon s, as he eventually figures out where and how a new sibling will fit into his family. The uncomplicated artwork is charming and expressive and a perfect complement to the limited text, conveying simply and realistically the emotions of the story. This book would make a wonderful starting point for a conversation about becoming a new big brother or sister, a common experience for preschoolers and kindergartners. A cozy read-aloud, it also lends itself to exploring growing up or family life, or a character education lesson on adaptability.
