### **Reviews**

*Extremely helpful to any or all category of men and women. It really is rally exciting throgh reading time. I am just happy to let you know that this is basically the greatest pdf i have got go through in my personal existence and may be he finest book for at any time.  
(Carroll Greenfelder IV)*

## NURSES BRIDGING THE GAP (PAPERBACK)

AUTHORHOUSE, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is undoubtedly the most useful tool a nurse or health care provider could avail himself of in making any effort to obtain information from a Spanish-speaking patient. The user of this guide book learns right away that the 5 vowels as used in the Spanish language never change the sounds assigned to them in speaking or writing, and that the letter h is always silent. Nurses Bridging the Gap eliminates the need for any previous knowledge of the second language, but instead, provides a way to have immediate access to the language in question through the provision of alphabet guides and pronunciation keys.
