HarperCollins Publishers Inc, United States, 2008. Paperback. Condition: New. New.. Language: English . Brand New Book. Never before published, the final work of one of America s greatest writers **A Father s Law** is the novel Richard Wright, acclaimed author of **Black Boy** and **Native Son**, never completed. Written during a six-week period near the end of his life, it appears in print for the first time, an important addition to this American master s body of work, submitted by his daughter and literary executor, Julia, who writes: It comes from his guts and ends at the hero s breaking point. It explores many themes favored by my father like guilt and innocence, the difficult relationship between the generations, the difficulty of being a black policeman and father, the difficulty of being both those things and suspecting that your own son is the murderer. It intertwines astonishingly modern themes for a novel written in 1960. Precient, raw, powerful, and fascinating, **A Father s Law** is the final gift from a literary giant.
