Forgotten Books, 2017. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Excerpt from Louisiana Conservationist, Vol. 4: April, 1952 The pilot blacksnake, one of the largest species, is sometimes called a whip snake, and is often dreaded because it is supposed to be able to give a man a sound spanking when perturbed. Like other snakes, it has no desire to whip a person and would much rather be left alone. The real whip snake of the South, also prefers seclusion and does-not spank people for bothering it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
