101 Careers in Healthcare Management (Paperback)

By -

Springer Publishing Co Inc, United States, 2017. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. 101 Careers in Healthcare Management, Second Edition continues to be the only comprehensive guide to careers in health administration, ranging from entry-level management positions to the most senior executive opportunities. The second edition has been updated throughout and includes three new chapters that will assist students and healthcare managers alike. Additional content includes a quick historical overview of the field including its growth and transformation, essential traits that will prepare a professional for career change and advancement, and a call for new leadership competencies which every job candidate should adopt and master in a rapidly adapting industry. The book is replete with over 40 new interviews spanning those in entry-level positions to CEOs that reflect a greater diversity of careers and demographics in an evolving job market. Based on the most current data from the U.S. Department of Labor and professional societies in healthcare management, this guide describes careers in acute and long-term care, physician practices, international and government organizations, commercial insurance, consulting firms, executive search firms, pharmaceuticals and biotechnology, medical devices, public health organizations, information technology and informatics, and regulatory agencies....

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

-- **Dr. Sarai Fisher DDS**

The most effective publication i ever go through. It really is writter in simple phrases and not hard to understand. I am just easily will get a satisfaction of looking at a written publication.

-- **Ila Pfeffer IV**
