

Paroxysm: Interviews with Philippe Petit (Paperback)

Filesize: 7.79 MB

Reviews

It is in a single of the best pdf. Better than never, though I am quite late in starting to read this one. I realized this ebook from my dad and I encouraged this publication to understand.

Verso Books, United Kingdom, 1998. Paperback. Condition: New. Language: English . Brand New Book. Closely interviewed by the French journalist Philippe Petit, Baudrillard covers a vast range of topics, including Fukuyama, 1989 and the collapse of Communism; Bosnia, the Gulf War, Rwanda and the New World Order; globalization and universalization; the return of ethnic nationalisms; the nature of war; revisionism and Holocaust denial; Deleuze, Foucault, Bataille and Virilio; nihilism and the apocalyptic; the practice of writing; virtual reality; the west and the East; the culture of victimhood and repentance; human rights and citizenship; French intellectuals and engagement; the nature of capitalism today; consumer society and social exclusion; liberation; death, violence and necrophilia; reality, illusion and the media; and destabilization of all aspects of life including sexuality. Baudrillard's answers - which span politics, philosophy and culture - are concise, witty and trenchant, and they serve as both an accessible introduction to his ideas for the unfamiliar and a fascinating clarification of recent positions for the connoisseur.
