AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.More than 50 years ago, a young man named Lewis Bose left a successful law firm to form what he called a different kind of law firm. He envisioned a place where friendships were important, built on a foundation of cooperation, mutual respect and excellence. He partnered with visionaries, Paul Buchanan, Charlie Cook, William Evans and Robert McKinney who, like himself, wanted their firm to be recognized as a trendsetter in the legal profession. Today, the legacy of our founding partners lives on. More than five decades later, Bose McKinney Evans still embraces the principles our founders set forth. This is their story and the story of those who have served our clients through the decades, and today.
