

The Western: Aspects of a Movie Genre (Paperback)

By Philip French

Carcanet Press Ltd, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. Westerns is the classic account of the emergence, growth and flowering of one of the most perennially popular film genres. When it was first published thirty years ago it was welcomed by reviewers in Europe and the United States as a major work. In this new edition, fully revised and updated, with a new introduction, both movie buffs and general readers have the opportunity to engage again with one of the sharpest film critics of our time. The book focuses on the political, historical and cultural forces that shaped the western, dealing especially with the thirty years after World War II. It considers the treatment of Indians and Blacks, women and children, the role of violence, landscape and pokerplaying, and it advances the theory that most westerns of those years fit into four principal categories that reflect the styles and ideologies of four leading politicians of the era: John F. Kennedy, Barry Goldwater, Lyndon Johnson and William Buckley. Since the book was first revised in 1977, there has been, as the author predicted there would be, a steady decline in the number of westerns made...
