Has a moral-cultural-political shift suddenly occurred where the public now approves of presidential use of bully tactics, quoting alternate facts (lies) and suppressing information? Our president says that he admires Vladimir Putin, a Communist, but why? Are we in the middle of a quiet revolution? Did you know that World War II Germany was a democracy prior to the sudden rise of a powerful authoritarian leader? With terrorism, having become a frightening enemy of the United States, many fear that while seeking a presidential HERO for protection and change, we may have created our own homegrown terrorist. This is the first book in his Trump on Trial series by experienced trial lawyer Dennis Kroeker JD. Get yourself ready for the next book,...
