Reviews

Very beneficial to all of type of individuals. This can be for those who statte that there had not been a really worth reading. You will not really feel monotony at at any time of your respective time (that's what catalogs are for concerning should you ask me).
(Michale Shields)

LYTEFOOT (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. To absolve himself of his guilt, the famous crime author, Nathan Rothwell, recorded an admission on a smartphone before his death, of what really took place the night his sister and Lytefoot hall s estate manager were murdered; his obsessive love for the ghost of the beautiful heiress, Lady Arabella Lytefoot, and his struggle coming to terms with a dark entity, so twisted by rage and jealousy because of his love for her, that he could reach out and harm those in the material world. A year later, the phone, which was never wiped after forensics, falls into the hands of a 21-year-old trainee police officer, Steven Runcombe, after the 8-month long investigation concluded Nathan Rothwell, even in death, was still guilty of the crimes of murder. Heeding Nathan s story though, gave Steve a curious thirst for the supernatural, especially after also discovering his close friend, Rob Slatterley, had witnessed the smiling spectre of his girlfriend, not long after her funeral. Armed with borrowed ghost hunting equipment and the dead author s smartphone, Steve, Rob, along with two other reluctant friends, head over to Lytefoot Park to seek the truth about the afterlife, while trying to uncover more of Nathan Rothwell s story. However, what they didn t envisage, was the danger they d put themselves in, the minute they entered the quaint Suffolk village of Thydon le Marsh, which led over to Lytefoot s encompassing 400-acre estate. But the more they discovered, the more the park and village seemed a foreboding place to the four youngsters. A place where the shades of the past reveal themselves in unusual ways, and where reality ceased to exist long ago.
